

Medication Prescription and Refill Policy For
Luis A. Mignucci, M.D.
Omar A. Colon, M.D.

As a reminder to our patients, this is a surgical practice. We do not provide pain management medications to patients who have not undergone a surgical procedure performed by this office. Pain medications will be prescribed in the immediate post-operative period only. Use of pain medications beyond the immediate post-operative period will need to be managed by a pain management specialist.

FEDERAL CHANGES EFFECTIVE OCTOBER, 6TH, 2014 requires triplicate prescriptions for Hydrocodone/Vicodin/Norco, which we do not provide. Patients requiring NARCOTIC based pain medication will need to be referred to a pain management physician

Refill requests for medications prescribed by our office will be accepted **only from your pharmacy** during our regular business hours which are Monday thru Friday from 9:00 am to 5:00 pm. If you need a refill on your medication, you must call the refill request into the pharmacy at which it was originally filled. **Do not call the office** directly as this will only delay the process. If your request is received after 2:00 pm Monday-Thursday, or after 12:00 pm on Friday, it will be processed the next business day. **Absolutely no refills will be authorized on Saturday or Sunday.**
***All patients will be subject to toxicology testing.**

I have read and understand the above policy.
